

Welcome to Scottsdale! If you are arriving in your own aircraft, Jet Aviation is the preferred FBO. They are a current CAA Fuel Savings Program member and will waive some of the fees if you mention you are training with Legacy Flight Training. The staff at Jet Aviation are nothing short of professional, with full concierge services, but ask that you notify them at least 24 hours prior to your arrival. 7-10 days beforehand is even better. They offer several fine crew cars as well as rentals. Just tell tower when you land, you want to park at Jet Aviation. <https://www.jetaviation.com/locations/scottsdale>
