

KSDL & Legacy Flight Training

Parking and FBO services:

Jet Aviation is the FBO for most convenient preferred services.

They are now a current **CAA Fuel Savings Program** member and since we lease one of their buildings - they are able to waive some of the fees if you mention you are training with Legacy Flight Training.

The staff at Jet Aviation are nothing short of professional, with full concierge services, but ask that you **notify them at least 24 hours prior to your arrival**. Preferable 7-10 days is even better. They also have several fine crew cars as well as rentals.
